Governor Willson has taken to in Shelbyville Sunday night. In pher, Jr in Clark county. the first place, had these officials attended to the duties of their office as negligently as the Governor does his office they all might have been in Louisville. New York or some other important place and have known nothing of the lynching until it was all over. And again the people per pound. of Shelby county were probably induced to the breaking of the law by the Governors recent wholesale pardon of negroes from the western part of the state convicted of the murder of white people. The Governor has no right to censure any one for such acts under such circumstances.

Every negro in Adams county Ohio, except one has been indicted for vote selling. In Texas you dont't hear of such scandals, but in Texas they have a law which doesn't allow men to vote unless they have paid their poll tax at least six months before the election. It the men that don't pay their poll tax that most frequently sells their vote, so the law in Texas cuts them out. In Kentucky a few years ago we had a vote to change the constitution so such a law could be had in this State, but the Republican party lined up most solidly in favor of the delinquent taxpayer because most of the delinquent tobacco at Clay City for 7 and stipation. taxpayers are negroes-Republi- 3 cents.

Good roads and good common schools are absolutely essential to the proper development and advancement of any county or community. Such counties as Lexington this week. Powell can no more have good roads without state aid then it could have good schools without state aid. The Times wants them Christian church. both and believe with good roads all through Powell county it would become a revenue producing county instead of a pauper county as it now is. Give us good roads.

Much ado is being made all over the country because newly in the family burial ground. elected Senator Lorimer from Illinois bought his way into the Senate and it was told on him. He ought to be let alone so he can be with our own distinguishthere the same way.

The readers of this paper will be pleased to learn that there is at least-one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positve cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the olood and mucous surfaces of the system. so it is now no trouble to get on thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of tesimonials.
